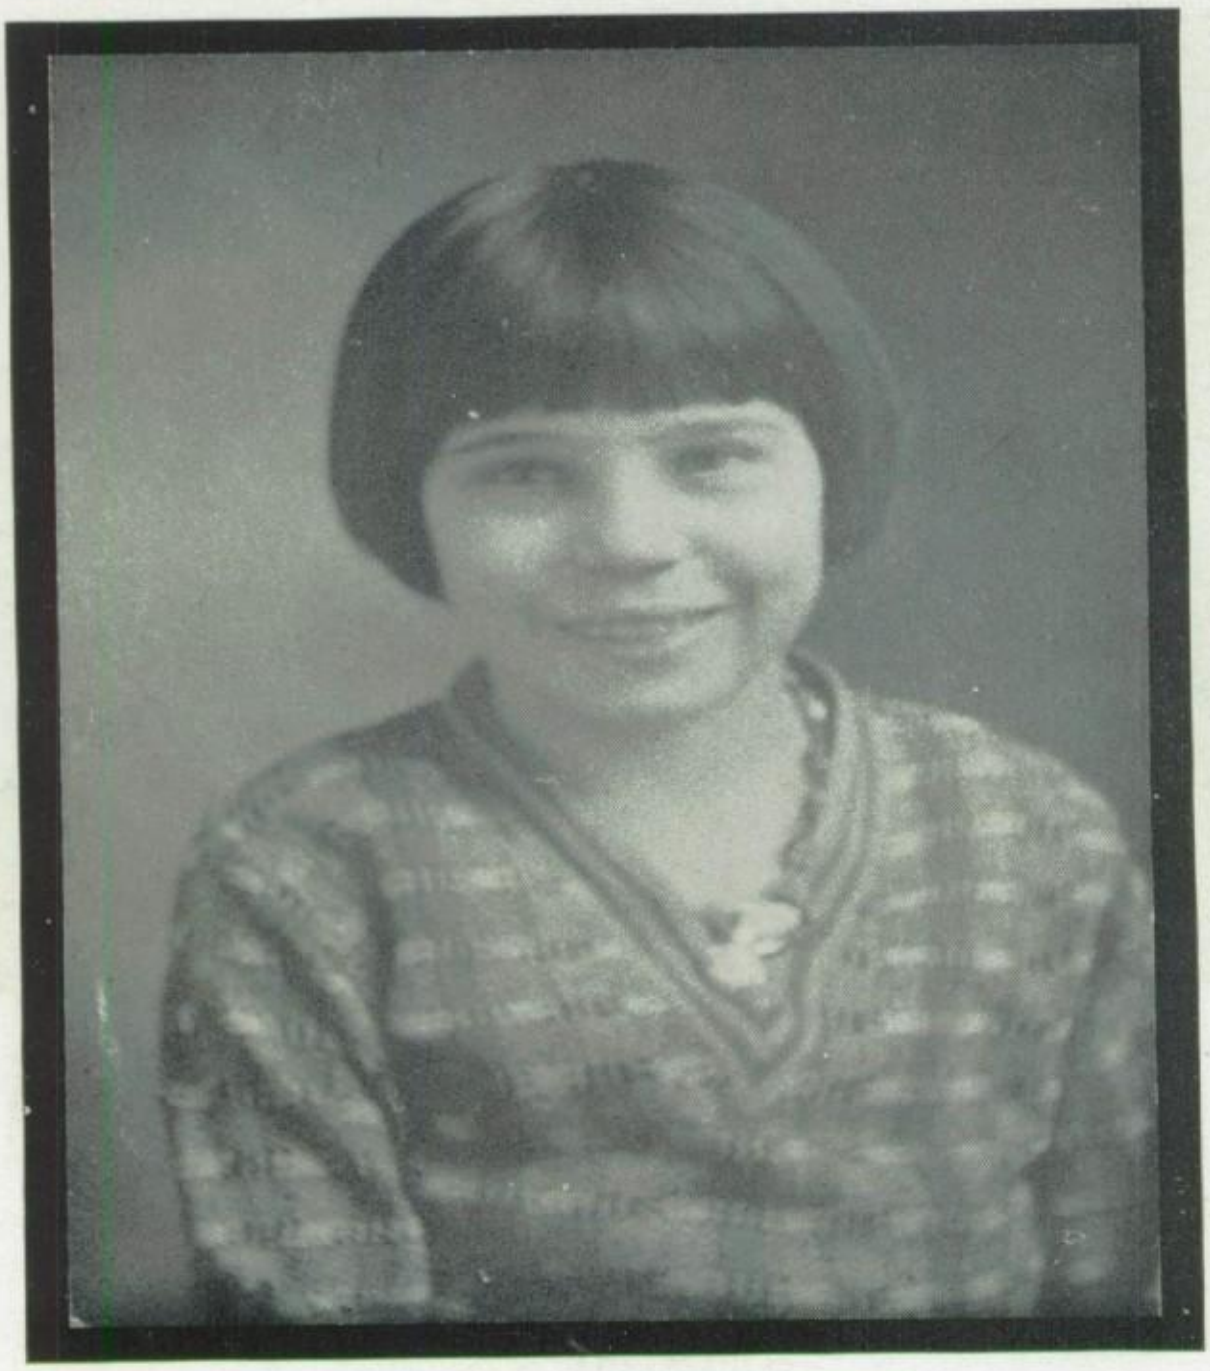
The Senior Class of

UPPER SANDUSKY HIGH SCHOOL

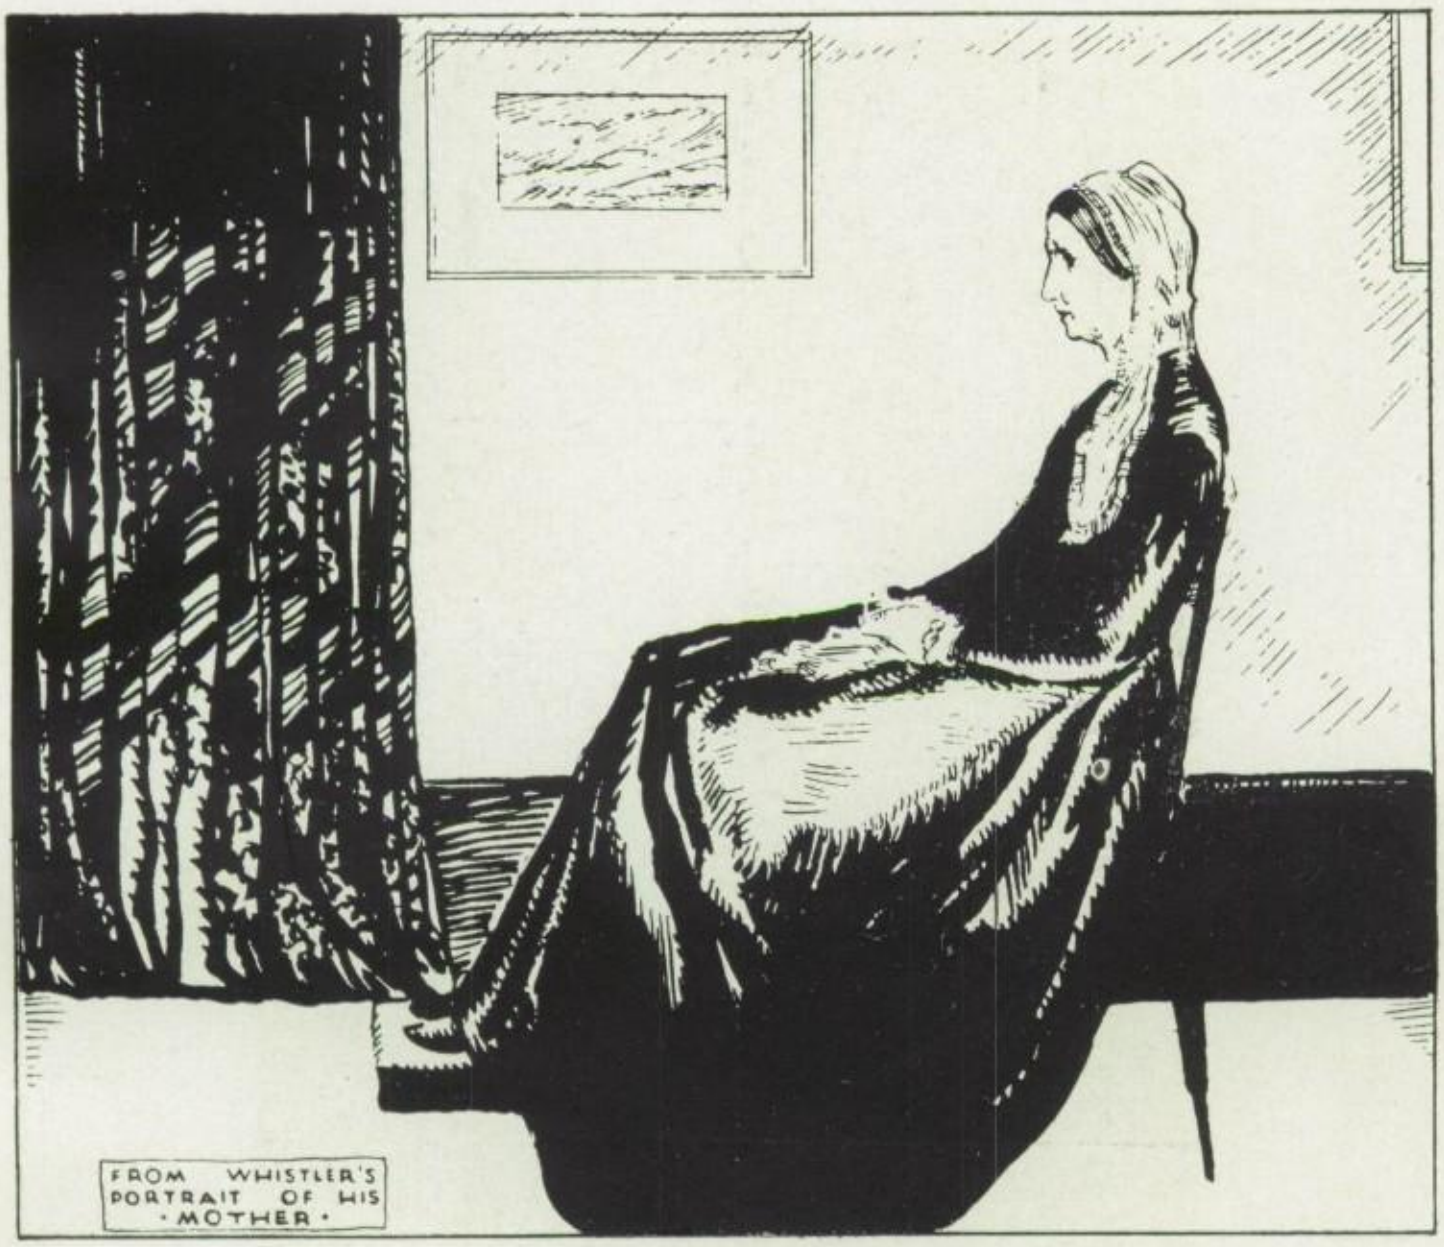
you the scenes of happy days
that you may always keep

In Memoriam



We wish to honor the memory of Freida Huffman, our classmate, who left us on August 25, 1933.

Dedicated to the Mothers of Students...



UPPER SANDUSKY OHIO

DEDICATION

Let us pause for a moment as the curtain of time slowly descends, reminding us that we are rapidly nearing the end of our high school career. Before these scenes are entirely hidden from view, let us focus our attention carefully upon one central figure who has been the greatest inspiration to us in all of our school days. It could be none other than "MOTHER", the personage who forms the foundation for the universe, who has stood by when all others seemed to fail us, who has guided our footsteps and watched with pride our progress.

We cannot pay high enough tribute to her who made our school days possible by her self sacrifice, so we shall just say, "Mother, we thank you."

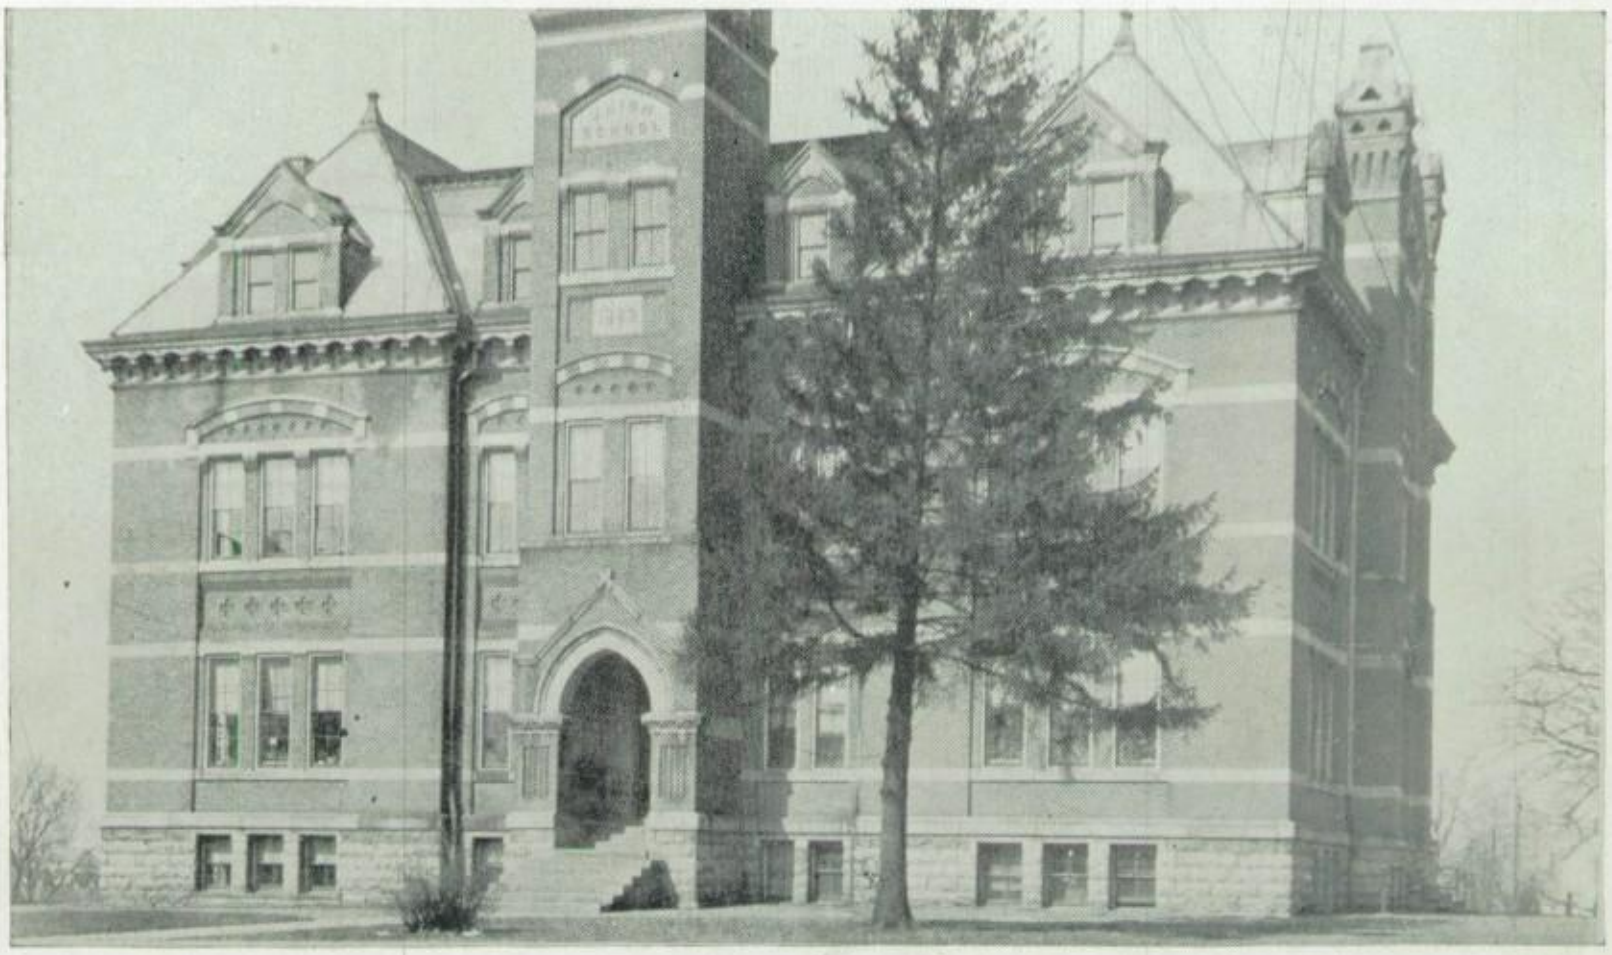
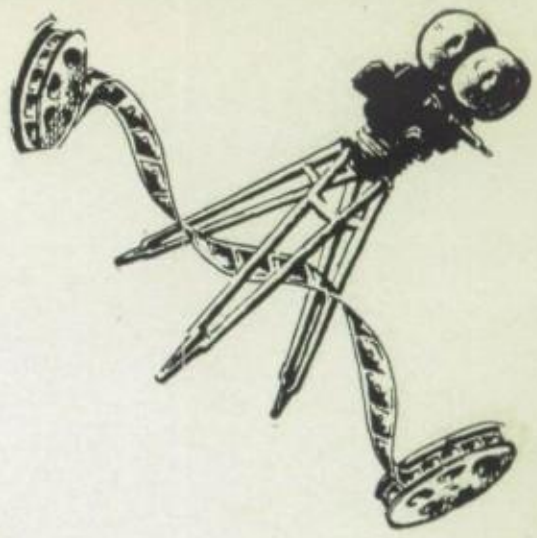
Union Building

In 1882 the Union School Building was built at a cost of $40,000. This building is located on West Walker Street. The building which has four stories, is a brick structure, heated by steam. There is a large open space on the fourth floor which has been used for entertainments; the third floor has five recitation rooms, one assembly or study hall and rest room; on the second floor are six recitation rooms, a rest room, and the office; the basement is made up of six rooms, and the furnace room.

We have at present five hundred and seventy-five pupils in this building, grades from one to nine inclusive, and sixteen teachers.

This edifice has served its day and generation well. Though its bell will never sound again it will ring in the memories of the hundreds of boys and girls who have passed through its halls.





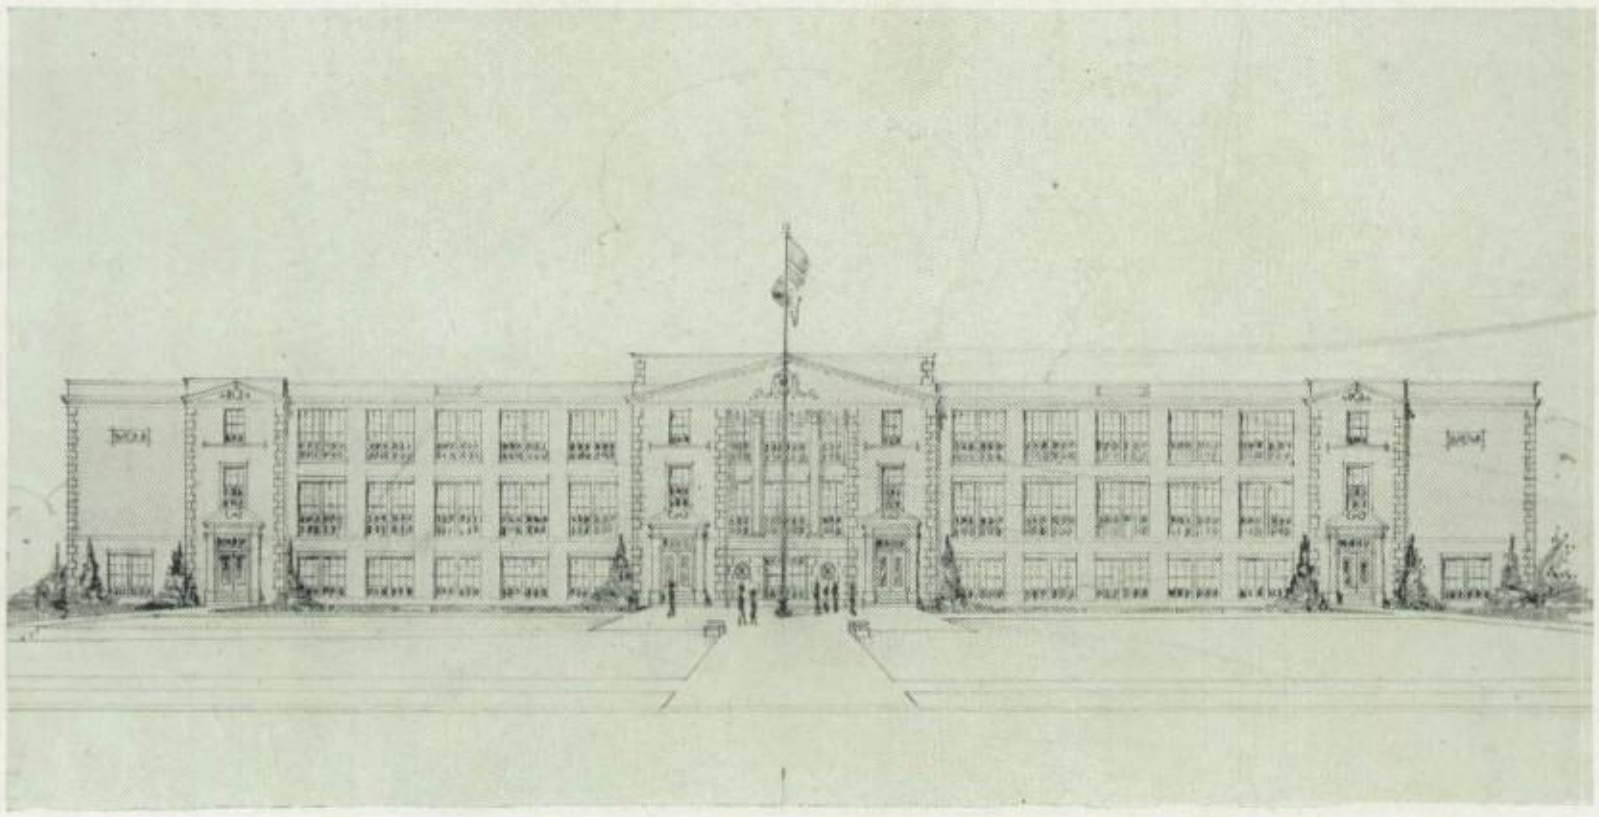
New Building

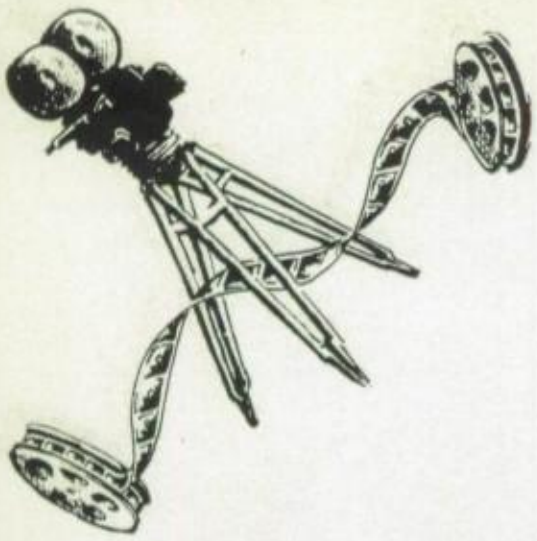
The new school building is under construction at the present time. The present Senior building and the present Union building are being salvaged and repaired, and with a new addition will make one large modern plant. The cost of this new plant is $115,000; the cost to our local community, $63,250; the remainder being paid by the U. S. Government.

The basement of the new plant is made up of eight recitation and grade rooms, sewing rooms, two furnaces, two coal pits, chemistry laboratory, physics laboratory, cooking room, dining room (cafeteria), dining room (lunch room), manual training and agricultural room, store rooms, closets, lockers, and showers.

The first floor is composed of twelve recitation or grade rooms, library, Senior Principal's office, auditorium, book room, Board of Education room, Junior High Principal's office, gymnaisium, Superintendent's office, store rooms, closets, cloak rooms, and lockers.

The second floor is composed of a typing room, bookkeeping room, senior study hall, eight recitation and grade rooms, study hall, picture booth, cloak rooms, closets, rest rooms, and lockers.



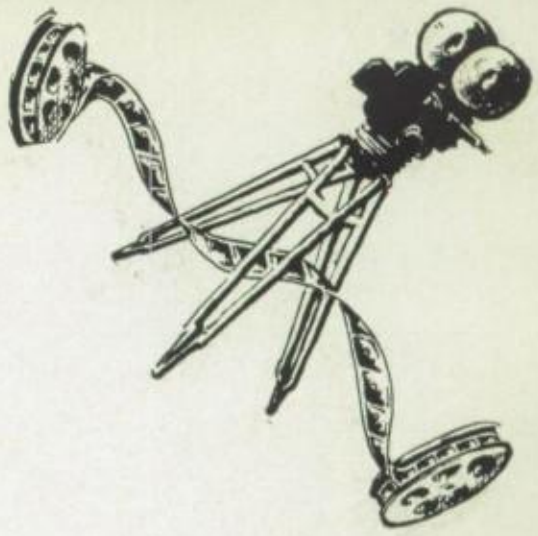


Board of Education

The Board of Education is composed of J. H. Witzel, President; T. M. Bowman, Vice President and Purchasing Agent; P. W. Ayers, Clerk-Treasurer and committee on text books and course of study; C. E. Frederick, committee on grounds and building; W. P. Osborn, committee on teachers and salaries; and W. O. Moore, Superintendent.

This group is made up of highly respected and honored citizens of the district. This board has quite an extensive and constructive building program in process of construction.

The duties of a Board of Education require much time, effort, and energy which the members gladly and willingly give for the best interests of the boys and girls. The board members receive no financial compensation for their efforts.



Superintendent

W. O. MOORE
A. B. Muskingum
M. A. Wittenberg

We wish to introduce to you our director, Superintendent W. O. Moore. He is always ready to give an encouraging word to those in the cast and to take an active part in order to see that "the show goes on."

Mr. Moore became our director in 1923, coming here from Mt. Gilead where he had served them successfully for several years.

The new school building is the second building program that he has been instrumental in getting for us and we take this opportunity to thank him for all that he has done for us during our twelve years in the cast in U. S. H. S.

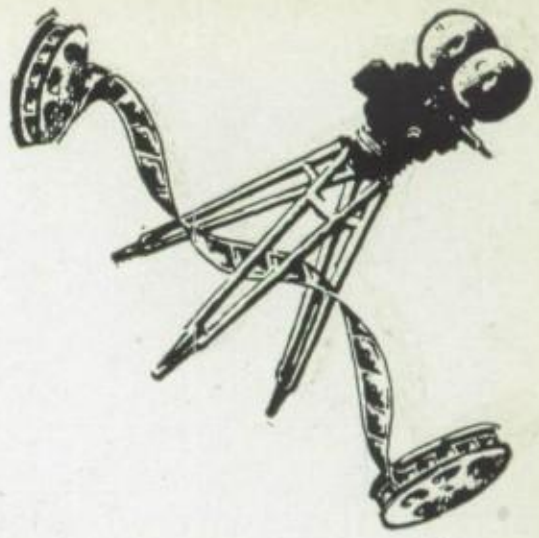
SENIOR CLASS HISTORY

In 1932 a verdant group of young actors opened the door to the set upon which they were to begin their careers. They chose as their director Marion Shambaugh, with Neva Neate and Rebecca Ayers as his assistants.

As "Extras" they pushed their way upward from the first step of the ladder of fame, and as a reward for their efforts, had their first big show, "A Hard Time Party."

The following year, as "Stand Ins," Samuel Walton was their director and had as his assistants Janet Osborn and Miriam Moser. That year a "Kid Party" was their big show.

The next step up the ladder of fame was as "Featured Players."



Stars of '36

SENIOR CLASS HISTORY

Here they elected Robert Frey, Betty Lou Leser, Rebecca Ayers, and Joseph Clark to direct their show. This year their big feature was a "Halloween Party" and as a farewell to "Stars" before them, they gave a "Junior-Senior Banquet."

Finally their ambitions were realized. They had reached the top rung of the ladder of fame. They were to begin their work as "Stars."

Shakespeare said, "All the world's a stage, And all the men and women merely players. They have their exits and entrances, And one man in his time plays many parts, His acts being seven ages."

We have embodied this thought in the pages of this book.

CLASS SONG

Here's to the Upper High School
And to the many days;
Spent in the old school building,
Pride of our High School days —
  Rah! Rah! Rah!
We boast of our traditions;
We'll uphold them or die;
Long live our alma mater,
Here's to the Upper High!

Junior Class History

In 1936 a group of "Featured Players" entered the set at U. S. H. S. They chose Joseph Kerr as their director and selected Henry Martin, Robert Binau, and David Bastel for his assistants. Under the able guidance of this group varied activities increased box office returns until the Junior-Senior Banquet, a farewell to the "Stars", was amply provided for. They also featured a "St. Patrick's Day" party on March 24th.

Sophomore Class History

In September, 1934 a happy group of "Extras", numbering seventy-eight, entered the Union Building eager to begin its high school career. They chose John Fritchie as their director. His assistants were Mary Janet Sweigard and Laurel Jane Wolfe, whose place was later filled by Geraldine Koehler. The year was a successful one and one to be happily remembered by this group.

In the fall, 1935 this same group proudly entered the Senior High. They soon became accustomed to their new surroundings and fitted smoothly into their new school life. This year Edward Snyder was chosen to direct the group. His assistants were David Stephan, Jane Kinley and Laura Belle Lawrence.

The Sophomore Class is well represented in all school activities.

CABINET OFFICERS

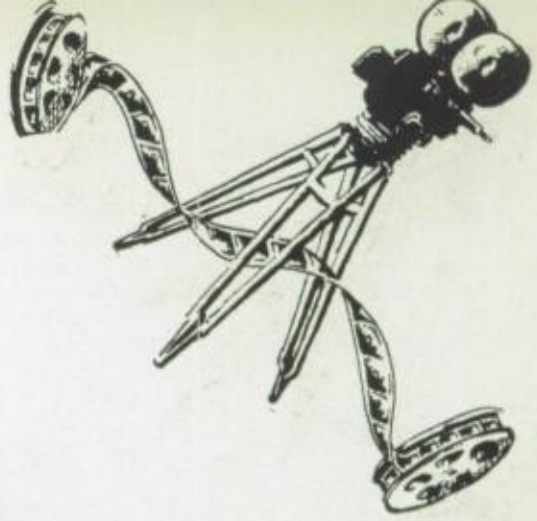
1st Row—Miss Gregg, Pauline Balduf, Eileen Stover, Frances Clark.
2nd Row—Colleen Bauer, Martha Bowman, Janet Osborn, Miriam Moser.
3rd Row—Elizabeth Bardon, Betty Lou Leser, Florence Strasser, Rebecca Ayers, Viola Ruth Temple.

The Girl Reserves of 1935-1936 were guided through a very successful year by their sponsors Miss Gregg, and Miss Veith. The officers for the year were: Frances Clark, President; Miriam Moser, Vice President; Janet Osborn, Secretary; Betty Lou Leser, Treasurer; and Colleen Bauer, Reporter.

Shortly after Christmas three one-act plays were given, namely: "In Doubt About Daisy", "Thanks Awfully", and "Luncheon for Six". They were very successfully done. A Christmas party for the poor children was also held and another successful event was the Colonial Tea held for their mothers.

The membership consists of about seventy girls.

The slogan for the Girl Reserves is "to face life squarely" and the purpose is "to find and to give the best". Each girl tries to make her life symbolic of this purpose and also tries to live up to the Girl Reserves code and aim.



Hi-Y

Our purpose is to create, maintain, and extend throughout the school and community high standards of Christian character.

Our aims are clean speech, clean athletics, clean living, and clean scholarship.

Our program was made up of many fine discussions, and many interesting social functions. Among them were the annual Hi-Y and Football bean feed, the Hi-Y and G. R. party, and the party for the needy children.

Much of the fine fellowship which was developed in our club was due to Mr. G. Ernest Little who voluntarily met with us and aided us at each meeting.

The officers elected this year were: Marion Shambaugh, President; Paul Guthrie, Vice President; Lowell Railing, Treasurer; and Kail Trachsel, Secretary.

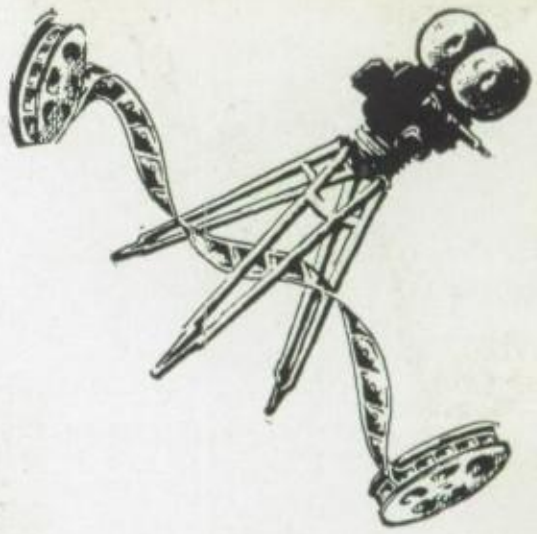
The purpose of this club is to help us to become better acquainted with the customs of the Spanish people, to create an international viewpoint, and to comprehend Spanish with considerable ease for pleasure and vocational purposes.

In March, 1936, the yearly induction of the Juniors was held.

Some of the members have started a correspondence with South American students who are studying the English language. This has proved to be quite interesting and helpful.

Under the splendid leadership of "la professora" and the enthusiasm of every member, the club has had a very successful year.

The following served as officers: Thomas Norton, President; Rebecca Ayers, Vice President; Betty Lou Leser, Secretary; and Paul Guthrie, Treasurer.



Sodalitas Latina

Because of the heavy schedules and many duties of its members, the Sodalitas Latina decided at the beginning of the year to hold no meetings outside the regular class period. Five sessions during the year were set aside to take the place of the evening programs, and four former members were asked to speak.

In September Miss Mildred Troup, now a Latin teacher at Wadsworth, Ohio, spoke on the subject, "Vergil's Life and Works." The topic "Roman Life and Customs" was discussed by Miss Thelma Hoover, a junior at Ohio State University. A Christmas program consisted of Latin Christmas songs, a discussion of the Roman festival, Saturnalia, and Latin contests. Miss Katherine Bowman, Western College for Women, and Miss Janet Berg, Wooster College, have been asked to speak at a later date. A picnic is being planned to complete the year's activities.

Debate

Once again the camera started clicking and Room Twenty-One buzzed wiith the friendly rivalry between the two opposing factions of Upper High debating squads.

The question for debate was: Resolved that the several states should enact legislation providing for a system of complete medical service available to all people at public expense.

The affirmative team consisted of Viola Temple, Captain and first speaker; Emery Kink, second speaker; and Thomas Norton, third speaker.

The Negative was composed of Martha Bowman, Captain and first speaker; Marion Shambaugh, second speaker; and Dorothy Horn, third speaker.

The first and only debate was with Marion Harding on February 28. It was a non-decision meet.

The team was under the direction of Mr. Tschantz.

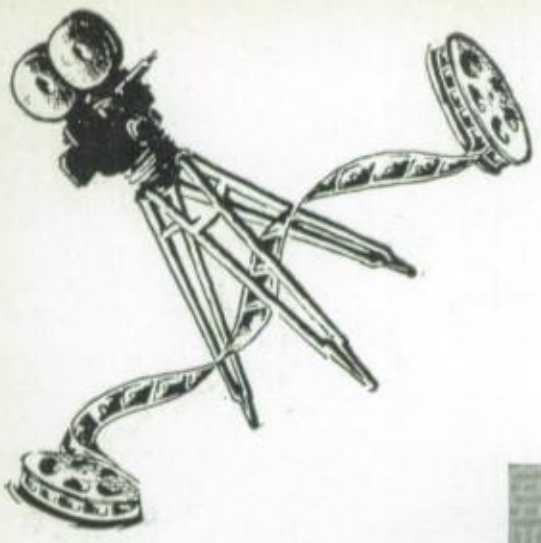
The Phonetic Writers' Club was organized by the Senior Shorthand Class of 1922, for the purpose of bringing to its members new and broader views of business life and to impress upon their minds more strongly the requirements for successful, efficient stenographer bookkeeper, and secretary.

Filmed reviews of the fourteen clubs were run off in the projection room for the club of 1936, and we found that many of the members have made places for themselves in business and are holding their positions most successfully.

As the record of each successive club came upon the screen, the keystones upon which our clubs have built flashed into view: Smiles, Hard work, Obedience, Regularity, Thoroughness, Honesty, Ambition, Neatness, Dependability. Taken together they spell Shorthand and we feel sure that our close adherence to these principles, under the guiding hand of Miss Golling, will insure equally successful reviews of the club of 1936.



Public Speaking

Mary Bennett, Dorothy Horn, John Kerr, Helen Loverich, Evelyn Searles, Kail Trachsel, Mr. Tachantz.

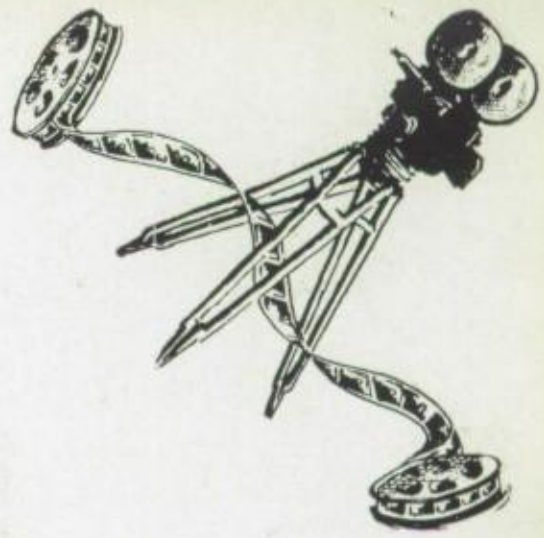
PUBLIC SPEAKING

The Public Speaking Class, is composed, this year, of six members —Mary Bennett, Dorothy Horn, John Kerr, Helen Loverich, Evelyn Searles, and Kail Trachsel.

In addition to several selections, we have learned the fundamental principles of both giving and preparing the different types of speeches.

The goal for which we are striving this year is to be able to speak more fluently and to express our thoughts more clearly. Under the careful and beneficial leadership of our instructor, Mr. Tschantz, we are meeting this goal.

We, the Public Speaking Class of 1935 and 1936, wish to thank Mr. Tschantz for his guidance. May the future classes gain as much as we have this year.



Orange and Black Staff

In every cinema organization the script writers play a most important part. So it is in our school. The Orange and Black staff publishes the school script biweekly, having issued fifteen editions this year.

The editors of our biweekly script news assemble the material, and arrange the setup for the four pages of the Orange and Black. Mr. Cope, the able adviser, is always ready to assist and lend a helping hand.

The different members of the news staff have separate assignments which they cover for each paper. This gives them a variety of experiences.

Eighteen Sopranos and twelve Altos composed the Girls' Glee Club assisted at the piano by Miss Pauline Balduf.

Their success was due to their great effort and diligent study of music under the direction of Mr. Huffman.

As it was the delight of the girls to appear before an audience, they entered a Festival which was held at Sycamore, March 20, and sang the beautiful number, "Trees" by Resbach.

Rehearsals were held every Tuesday and Thursday the seventh period. With the prompt attendance at these rehearsals and the aid of the Boys' Glee Club and Chorus, the Operetta, "Sylvia", was presented on November 26.

The Girls wish to thank those who have helped to make this club a success during the year 1935-36 and hope that this success may continue in the future.

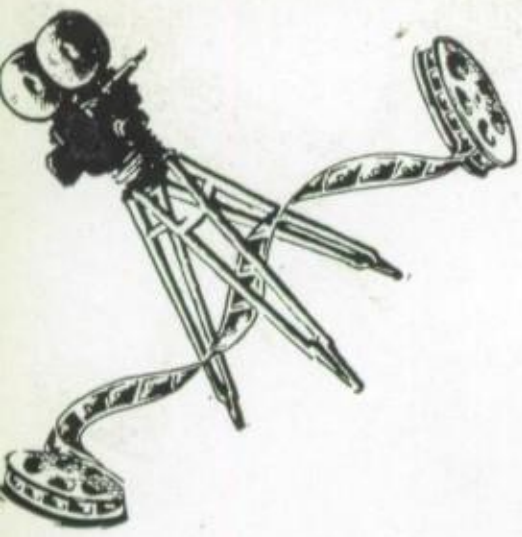
Early last September twenty boys met to form the Boys Glee Club. Under the direction of Mr. Huffman they have made splendid progress. Miriam Shiefer was accompainist. With the cooperation of the Girls Glee Club and the Chorus they were able to present a very charming operetta "Sylvia". They sang at a festival as Sycamore on March 20. The required number was "How Beautiful Art Thou."

Rehearsels are held every Wednesday and each boy works diligently to do his part in the Glee Club in order to make it a success.



Senior Chorus

The Senior Chorus which consisted of 64 members met twice a week. The members made splendid progress under the direction of Mr. Huffman. The Chorus successfully attempted the huge task of presenting the Operetta, "Sylvia". The accompanist for the Senior Chorus was Virginia Kuenzli. The Chorus took part in the festival which was held at Sycamore, March 20. They sang an arrangement of "All Through the Night".

The following are the members:

M. Clinger, K. Trachsel, J. Kerr, R. Bolyard, S. Sterner, R. Robey, G. Bookmyer, R. Kinn, R. Mewhorter, J. Cornely, H. Leightey, H. Koehler, K. Berg, C. Hoehner, R. Troup, J. Koehler, E. Long, B. Senior Band

Under the direction of Mr. Huffman the band has made much progress.

No time was lost in organizing at the beginning of the year and each member of the group enthusiastically entered into his work. Each member has faithfully played at the football games to aid in pepping up the team.

This group meets every morning for practice.

The main event of the year is the Annual Band Festival held in the spring. Our band has always rated high in this contest. This year's Festival will be held on April 17.

Senior Orchestra

The Senior Orchestra under the direction of Mr. Huffman is one of the successful organizations in the school. It is always relied upon to play at entertainments. This year the orchestra accompanied the Operetta. There is a larger instrumental section than in most High School orchestras. On March 27 it entered the festival at Crestline. The required number was "The Calif of Bagdad". Six other schools were in the contest. On January 4th, it broadcast from WOSU.

Athletic Board

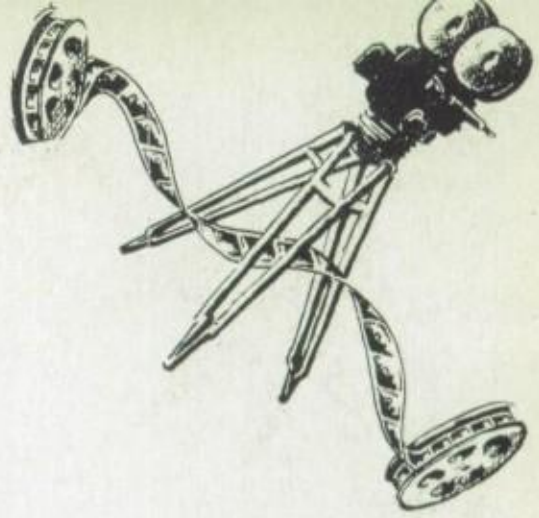
With the close of this year the Athletic Board completed its second year of successful work.

This group is composed of Miss Lurlene Beatty, Girl's Coach; George Sting, Boy's Coach; Paul W. Ayers, the Clerk of the Board of Education; Principal L. H. Houpt, and the following teachers: Harold Cope and Robert Derrickson.

To this Board is attributed much of the success of the Athletic season, for through its management, games were scheduled, equipment purchased, awards given to the players, and the opportunity given to the rural girls and boys who wished to participate in athletics. Many other problems were also discussed and solved.

Under the able leadership of Robert Derrickson, the president, regular meetings were held and business transacted. Mr. Derrickson also served efficiently as Athletic Manager this year.

We wish to express our appreciation to this Board for helping make our school year a success and we pledge our cooperation in the future.



State Scholarship Team

On May 4, 1935, thirty boys and girls competed in the state scholarship tests at Bowling Green.

Upper Sandusky High School has established a fine record in previous years, both in the state and in the district.

The team placed second in the district and fifth in the state in 1930; fourth in the district in 1931; first in the district and fifth in state in 1932; fourth in the district and ninth in the state in 1933; second in district and tenth in state in 1934; and first in district in 1935.

The students participated in the following subjects: Chemistry, General Science, Physics, Algebra, Plane Geometry, American History, World History, Latin I, II, Spanish I, II, and English I, II, III, and IV.

These students are to be complimented on their successful scholarship.

GEORGE STING
Coach

GLENN KOTTERMAN
Captain

Our coach, Mr. Sting, has been with us only two years but each year he has put out a better team. This year he turned out our best team in years, and next year he should do even better. Coach has given the fellows confidence in themselves and brought back some of the fighting spirit, which has been lacking in our school.

Our Honorary Captain for this year is Glenn Kotterman who really deserved the honor. Though he had only two years experience "Bid" played his fullback position as it should have been played.

Managers for the year were Paul Martin, Wayne Gottfried, and Harry Smith. They proved themselves very capable and were there rain or shine.

Football

This year the Orange and Black clad worriors had the most successful season in years, turning in three victories and as many defeats, with a brace of ties thrown in for good measure.

The Oneida warriors held mock battle with the future Oneida braves as their opponents. Then our hunting grounds were invaded by Arcadia. The Orange went forth to meet the foe but the fight was a deadlock. Neither side could get a scalp and the game ended 0-0.

At the next battle the Senecas went on a rampage, Tiffin Calvert defeating the Oneidas by the score of 25-0.

After their defeat by the Senecas the Upper warriors started on their road trips, going to Norwalk where they met St. Paul. Here the Orange collected their first scalp, but were defeated by the Saints 19-7.

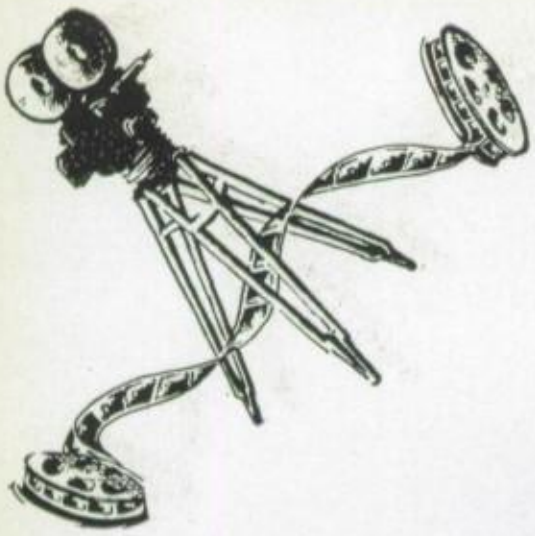
Still out on the trail the Oneidas journeyed to Sandusky, where they met a strong St. Marys team. Here again the warriors were defeated 37-0.

The Orange clad braves came home to their old stamping ground to repell the invading warriors of Crestline. With three defeats against them, the Onieda warriors went out to meet a strong Crestline combine. The invading tribe was lucky to get away with a 6-6 tie.

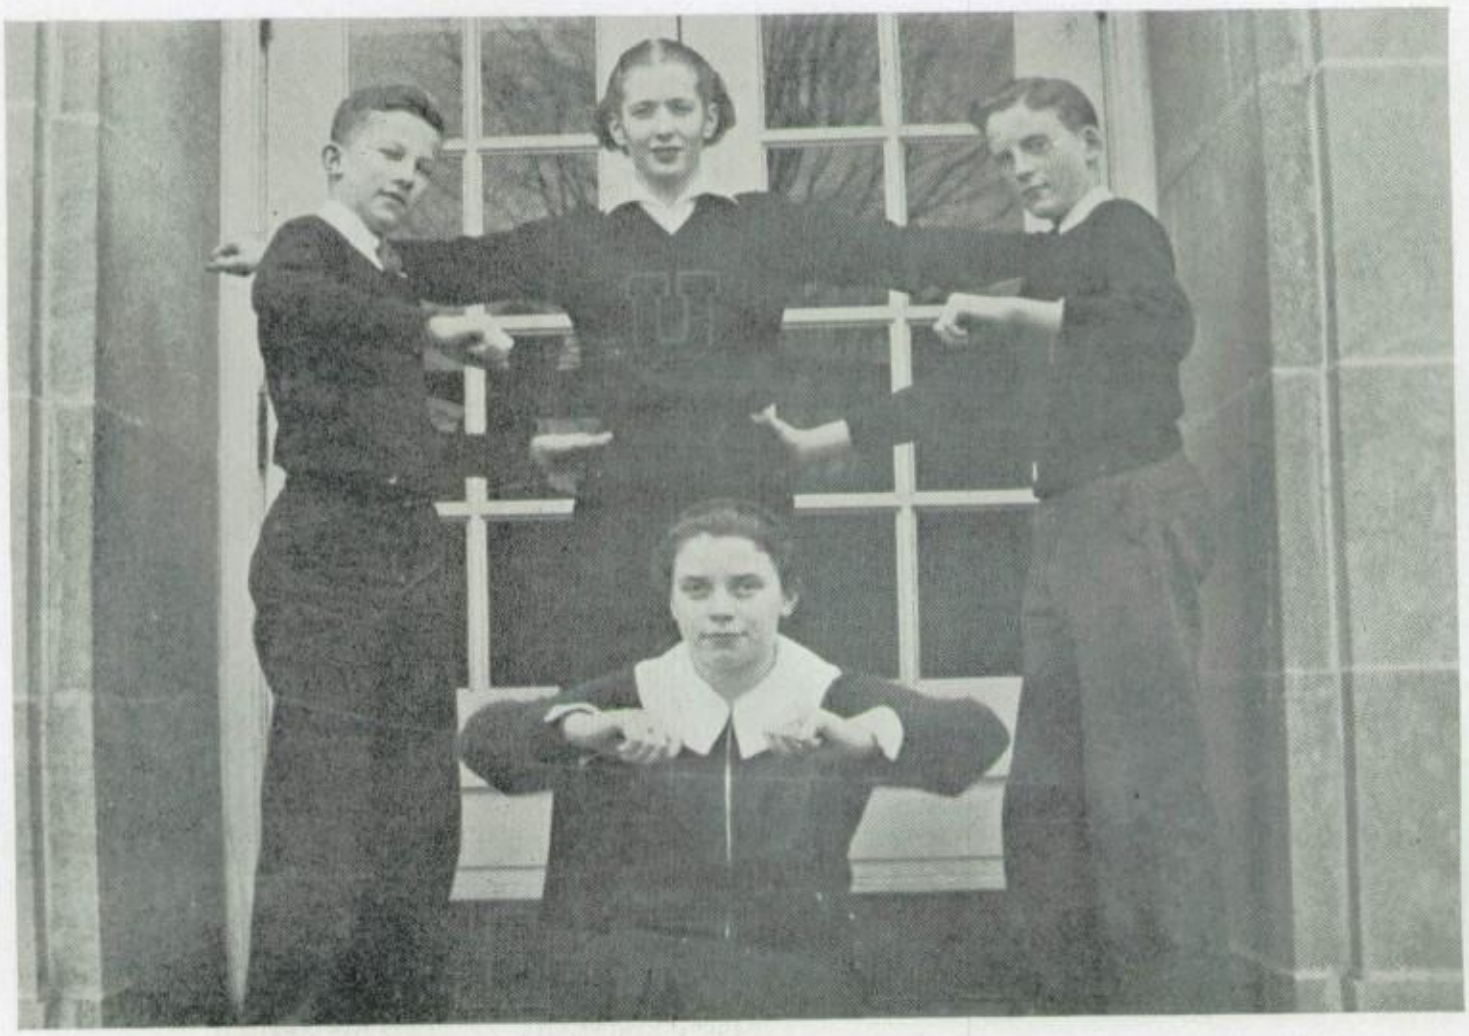
The next week the Upper warriors donned their war paint more carefully and went out to trample over the Mohawks from Fostoria St. Wendelin 19-0.

The Orange added another scalp to their belt when they overpowered a stubborn Forest team 6-0.

The Oneida warriors took to the trail again and invaded Carey. This was our most desirable scalp and great pains were taken to see that the Orange clad braves secured it. The Upper tribe did, 7-0, though not until after a very hard struggle in which Carey put up a great fight.



Cheer Leaders



"All right, gang, the divided U. S. H. S. yell, and let's hear you. One, two, three." Immediately the atmosphere is filled with the eager cries of the cheering section, ably led by Dorotha Miner, Katherine Hull, David Stephens, and Edward Snyder.

With peppy yells, snappy songs, and clever motions this quartet kept the crowds' interest aroused to a high pitch of excitement in an effort to spur the teams on to victory.

Whether the team was winning or losing, whether the player was a veteran or a newcomer, equally hard, and equally well they cheered them on. Through victories and loses alike they stood behind their team always doing their work well.

"ED" and "STEVE", our first boy cheerleaders for many seasons, served their first year, and served it well. Dorotha, who has been out for two years will be back again. Katz has led her last game. We appreciate our cheerleaders.

Although starting late in the season the Upper Sandusky maidens again came out on top. They opened their season on January 4, 1936, on the home floor, with Dunkirk. When the final whistle blew it was found that the girls had come out on the long end of a 29-21 score. On January 10, they met Wharton. After four hard quarters the maidens added another victory to their record to the tune of 31-27. With another week of good hard practice the girls were fully prepared to meet their greatest rival, the undefeated team from Waldo. This proved to be the most interesting game of the season, the girls winning by one point 29-28. The next team which the maidens met was Marion Business College, with the forwards hitting the hoop from every angle, they managed to come out with a 35-27 score. Then came the last and hardest game of the season, the McCutchenville game. The credit of winning this game went to neither team for it ended in a tie 20-20. Although several of their games were postponed, the girls feel that their short season was very much of a success.

GEORGE STING, JR. Coach

Mr. Sting began his second year of coaching basketball at Upper with only one letterman, Darys Newman, returning. Around him our team had to be built. The team was composed of fellows who had not had enough experience nor the height to develop into a good team, though as the season progressed the boys tried to make up in speed what they lacked in height.

At the end of our regularly scheduled season the team had not won half the games, they won seven and lost twelve. This year the team will be left practically intact by graduation.

After our regular season we entered the Class A. Tournament at Bucyrus. The first game with St. Marys we won 35-33, in the last forty-five seconds of the game.

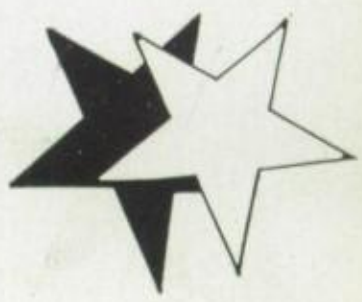
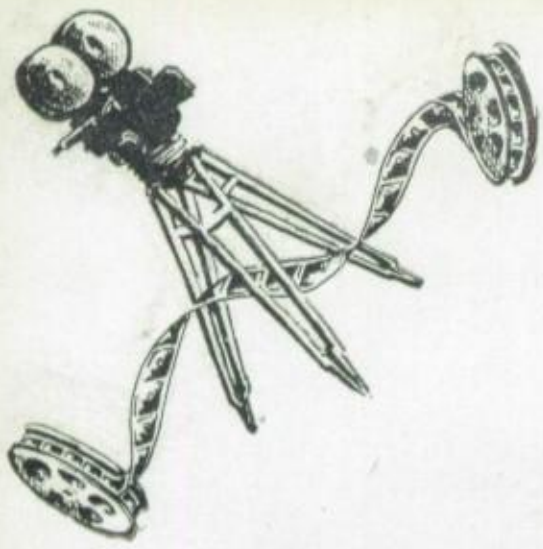
New Fires

Stephen Santry, an author, inherits a farm in the Missouri Ozarks. Mr. Santry who does not know what to do with his extravagant family, has them visit the farm. The family think it is merely a pleasure jaunt but soon discover they are to make it their home for awhile. Scarlet Fever breaks out and the family is forced to remain. One of the daughters after developing heart trouble, falls in love with Doctor Gray. The son of the family marries without the consent of the father, who clings to the old fashioned idea that the man should be able to support a family before he marries.

In the end, all difficulties are settled. Dick and Eve are given the homestead; Anne and Stephen finally go back to Chicago taking with them the thought that they will return occasionally for seasons of inspiration in the environment of "The Simple Life."





Class Prophecy

Dear Friend:-

I know you will be greatly interested to hear the news. The other day I attended the premiere of a new show; along with the show was a stage show and all the proceeds were to go to charity.

When we entered, we checked our coats and were very much surprised to find Helen Parish was the young lady in charge. As we entered the lobby a very charming young lady called us by name and asked us for our tickets. We were, naturally, surprised to find that it was Mary Klein. Mary informed us that Alice Baer and Catherine Frey were working under her. She also informed us that her superiors were Kenneth Berg and Robert Miller.

We had a box for which we were very glad because it gave us an opportunity to see every one enter. Notables from every walk of life were coming in. First came Pauline Balduf, famous pianist, with Irish Colleen Bauer, famous star of stage and screen.

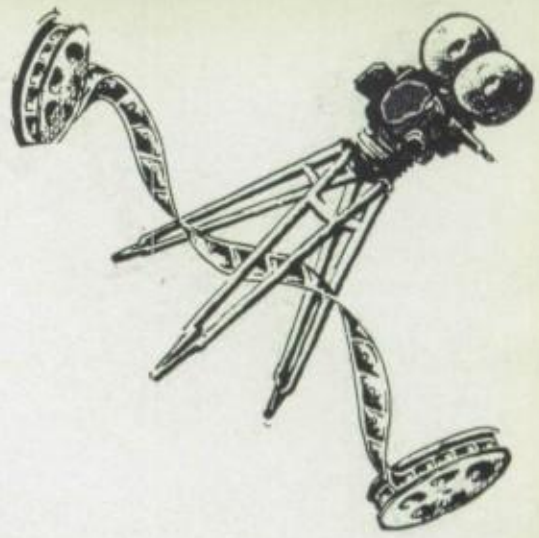
A few minutes later whom did we see but Betty Lou Leser, with Glenn Hotelling. Of course, you know that Miss Leser is one of the world's leading Opera Singers while Mr. Hotelling is none other than her manager. We also learned that Helen Koehler was Betty Lou's private secretary. Usually when you see Betty Lou you also see Janet Osborn, and, sure enough, there was Janet with Glenn Kotterman, world's outstanding football star. It has been rumored that Janet is to be created Poet Laureate of the United States.

Of course, other stars always attend the premiere. Among some of the noted ones we saw Robert Bartholomew and Harold Koehler. It is said that their comedy not yet released is the greatest comedy ever produced.

We also saw Glenn Bookmyer and Mary Elizabeth Bardon. Glenn races autos while Elizabeth is one of the best liked comedy stars. She is now co-starring with Darys Newman (modern Slim Summerville). When the lights flashed on the screen we said that unless we were very much mistaken, it was Dorothy Gatchell and Richard Thiel. When the two that were co-starring in the production flashed on the screen they were none other than Rebecca Ayers and Mervin Getz. Oh, my, these people who are famous are too much for me!

Before the stage show we decided to wander backstage. It was surprising how many people we knew. Ellen Durer was working on costumes while Earl Young was stage manager. Paul Hannum had become the foremost expert in this country on scenery and setting.

I have always wanted to see the mechanism which gives us the



Class Prophecy

movies. We obtained permission to view this. Who do you suppose was running the camera? None other than Joe Strasser. Since some people are always inquisitive, we asked who managed this theatre. The managers were none other than Gerald Mann and Robert Frey. They certainly have made a success of life.

Upon reentering the lobby again we saw some late comers, whose faces seemed familiar. One couple was Joseph Clark and Margaret Huntsberry. Margaret is doing the research work for the new film that Joseph is making. He is playing the part of Mala. The other couple was Neva Neate and Emery Fink. Neva is now one of the leading movie stars while Emery is a lawyer for Twentieth Century Pictures.

Well, can you imagine who followed us in and occupied the opposite box? Four men whom we had always envied: Marion Shambaugh, Thomas Norton, John Spellerberg, and Samuel Walton. Marion is a big business man with more millions than I would care to count. Tommy is a big movie magnate. John and Sammy are now co-worker scientists. If it had not been for those two it would be doubtful if we would have all the luxuries to which we are accustomed in this modern age.

When the orchestra appeared we thought we saw several familiar faces. Eugene Long was the leader of the orchestra while some of the players were Helen Loverich, Dolores Kruse, and Helen Johns.

In looking over the crowd again, we saw Frances Clark and Viola Temple. Frances is a very well known dietician. Viola writes most of the scenarios for the big productions.

In the stage show we encountered Miriam Moser, Alice Schlup, Dorothy Hehr, and Evelyn Searles. These girls will more than likely make a success before many more years.

We got to talking over old times with Florence Strasser and Don Pagnard. Don invited us to visit his café. When we arrived at the café we were surprised to find that Stanley Sterner and his famous orchestra were guest performers for that night. Eileen Stover was the star of the program while Arlieu Enders supplied the leading violin part. Jack Stalter was head waiter. Also featured on the program was Paul Guthrie, a singing waiter.

I forgot to tell you that Paul Martin was co-owner of the cafe; also that Evelyn Schoenberger was the popular young hostess. I hope you enjoy hearing about all of our classmates again.

Yours truly,

Martha Bowman

R. Bartholomew—"I'm sure I don't know. I hadn't been born yet."

B. Leser—"What model is your car?"

J. Osborn—"It's not a model, it's a horrible example."

Mr. Houpt—"Now, suppose a man working on the river bank suddenly fell in. He couldn't swim and would be in danger of drowning. Picture the scene. The man's fall, his cry for help. His wife knows his peril and hearing his screams, rushes immediately to the bank. Why does she rush to the bank?"

R. Ayers—"To draw his insurance money."

Dorothy was a sweet girl. She was reading a book that gave the meaning of names. Her mother was watching her, and thinking of all the young men who were attracted to her.

"Mother," says Ruth, "It says Philip means lover of horses and James means beloved. I wonder what George means."

"I hope my dear," said her mother, "that George means business."

The Co-operative Effort....

WE have been privileged to produce the Indian Village Annual for 1936.

Our part has been the printing and binding of the book.

The work of preparing the material has been in the hands of the staff, backed by the administration and faculty of the school.

The production was made possible by the business men of Upper Sandusky and the community in general.

It has been a pleasure to work with those who are responsible for the Annual and we trust the combined effort will meet a happy response from the patrons and friends of the school.

PROGRESS

There are few fields where the necessity for progress—the demand for new ideas, is as pronounced as in the production of School Annuals. ✡ Here in Canton we take pride in not only keeping pace, but in setting the pace for innovations and changes in this highly progressive field. ✡ When you work with Canton you are hand in hand with experienced people, constantly on the alert to sense the wants of Annual publishers, and quick to change from the old order, and offer new and unusual ideas to progressive editors.
